

Quality Policy Statement

The Geraldton Electrical Co is committed to meeting the needs and expectations of our clients by the implementation of a proven Quality Management System. This is achieved by,

- Complying with statutory obligations, standards, specifications and codes of practice relevant to quality management
- Maintaining, monitoring, reviewing, auditing and continually improving the Quality Management System consistent with AS/NZ ISO 9001
- Providing sufficient and suitable resources to implement and maintain the Quality Management System
- Engaging suitably qualified, skilled, and experienced people
- Educating and training in order to continually improve the skills of our people, awareness and knowledge of quality issues and practices
- Identifying, reporting, investigating and resolving non-conformances and taking action to prevent recurrence
- Establishing, reviewing and communicating performance measures and taking action to improve outcomes
- Monitoring and evaluating the quality performance of consultants, subcontractors and suppliers and implementing effective communication with them on quality and compliance issues.
