Health Safety and Environmental Policy (HSE)

The Geraldton Electrical Co. believes that care for the wellbeing of our people and the environment is fundamental to the long term success of our business.

The Geraldton Electrical Co. is committed to:

- Providing safe and healthy work places for our employees so they can perform their tasks safely and efficiently
- Promoting a culture in which we all accept responsibility for safety and the environment.
- Protecting the environment and fostering environmentally sustainable management practices and work methods.
- Complying with all relevant laws, regulations, standards and codes of practice.
- Establishing best practice Safety, Health and Environment standards for our operations.
- Encouraging and recognising the positive contributions of our people in developing positive strategies for improving safety, health and environmental wellbeing.
- Identifying improvement opportunities through regularly reviewing performance of our safety and environment systems.
- Integrating risk management planning into all aspects of our operations and decision making.

General Manager
Geraldton Electrical Co.

Murray Hadley
